THESE HIGHLIGHTS
FROM 2020!

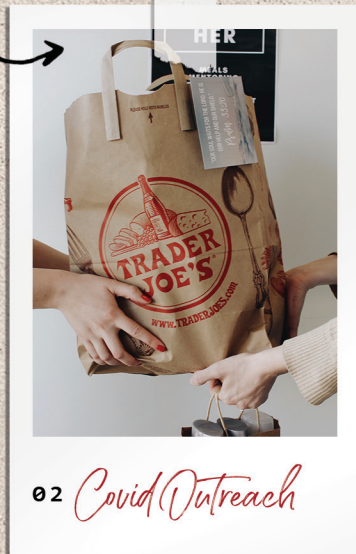

01 *Hope for Her*

01 We launched our Hope for Her Program! Every Tuesday, women come to our resource center for support, community and Bible study! We have been able to provide **172 hours of case management** and helped women complete a total of **72 goals** in their lives!

04 *Externships*

04 With the bakery closing, we shifted our on-the-job training to be in-house and began offering off-site externships based on each woman's vision for her life. In 2020, we provided **1,500 hours of job skills training** and we partnered with 6 externship sites providing more than **1,800 hours of on-the-job experience**.

02 *Covid Outreach*

02 When COVID-19 hit our city, we were no longer able to go into the clubs. Despite this, God brought at least one woman from every club in Louisville right to our door during quarantine. From March to July, we served **165 women**, providing **365 food boxes, 107 toiletry kits, and 55 gas cards!**

03 *Career Development Program*

03 The pandemic also impacted our Career Development Program (CDP). Thanks to Zoom and an amazing staff, we were able to continue classes virtually and even have a little fun! In the time apart, we had **108 Virtual Classes, 21 Community Meetings, 36 Counseling Sessions, and 48 Case Management Meetings.**

05 *Scarlet's Bakery*

05 With the upheaval of the year, Scarlet's Bakery was significantly impacted and we made the difficult decision to close our retail stores. We are celebrating the enormous impact the bakeries had on our community while they existed and the fact that our shift to an online store has allowed us to sell dry mixes to people all over the country!

Scarlet Hope

06

As our Network equips our other sites to share the Hope of Jesus, we get to join them in celebrating what God does. This year we saw them get into new clubs, hire staff, open a resource center, raise more support than years prior, and reach hundreds of women with the Gospel. Additionally, we were able to provide 4 virtual trainings and 1 in-person retreat, equipping **94 people** across the nation to further their ministries!

06 *5 Cities. 4 States. 1 Mission*

07 *Graduations*

We celebrated **4 women** graduating from the Career Development Program with **2 more** in December! Every graduate that did an externship was offered a full-time job upon completing the program. They have all worked so hard toward building a brighter future for themselves!

08 *Outreach*

08

Even in the midst of a pandemic and riots, we were still able to serve **4,925 meals** and deliver **704 gifts** to women in Clubs and Illegal Massage Parlors in Louisville. Our volunteers kept in contact with the women we serve during quarantine so that when we were able to return, it was like no time had passed!

09 *We're Going to Miami!*

09

Our Network is growing! God has opened the door to launch a new site in Miami, FL! We're so excited to begin reaching women in this city!
